Dear Parents and Caregivers,

Welcome to our revamped Newsletter. Whilst the look is different the contents will continue to have all the information for families to inform you about what is happening at St Matthew's.

Over the past 2 weeks we have welcomed our new Kindergarten students to St Matthew's during the Kinder Orientation visits. These visits are a special time for families but can also be a nervous time for others. It was great to see the joy and happiness on the faces of the new Kinders as they took their first tentative steps into Kindergarten.

On Saturday our nation will stop to mark Remembrance Day and our community will gather in McQuade Park to observe, with respect, this important day. Remembrance Day marks the anniversary of the armistice, which ended the First World War (1914-18). The quiet respectful reverence that is displayed at the service reminds me of the quiet, reverent stillness I experienced on the Gallipoli Peninsula several years ago. The sense of reverence is heightened during the minute silence and then the singing of the national anthem.

Parents are warmly welcomed to join with our students and the wider community in McQuade Park on Saturday morning. We will meet outside the Church at 10:30 am and then move to the service from there.

*God of peace and love,*

*We remember that in Jesus of Nazareth you have called us to be people of peace saying, "Blessed are the peacemakers"*

*and reminding us that we are to love our neighbour and our enemy as we love ourselves.*

*But we also acknowledge that there are times when we, as a global community, fail to live out those words.*

*We give thanks for all who have chosen to serve their country.*

*We give thanks for their bravery, their commitment, and their love.*

*We pause in the memory of those who went and did not return to families left behind.*

*Amen.*

In partnership let us continue to work to develop in the children' strong minds and gentle hearts.

Peace and best wishes for the fortnight ahead.

Tim Vane-Tempest,  
Principal.

## CHILDREN NOT RETURNING IN 2018

Thank you to the families who indicated that they will be moving away from St Matthew's at the end of this year. If there are families who are not returning to St Matthew's in 2018 it is important to inform the school, in writing, about your intention. To be compliant we are required to notify which school the children will be attending in 2018. Your notification to us assists with the organization of classes for next year. It also assists us with enrolment enquiries that we are receiving for next year.

*expanding beyond what we know we can be*

Greetings St Matthew's School Community!

## **School/ Parish Mass**

On Sunday 4<sup>th</sup> of November we had our last School/ Parish Mass for the year. Thank you to all the students and their families who attended and participated in such a prayerful celebration. All the students who came participated in one way or another – as altar servers, readers, the liturgical movement and choir. Your presence at Mass helped to create a strong sense of family and community.

## **Social Justice- Christmas Appeal**

As the end of the year is approaching and Christmas will be here before we know it- St Matthew's will again collect food for the St Vincent de Paul Society. This is an annual event and St Matthew's families have always been so generous in providing great quality food items to go to the poor and needy in our community. You will receive a letter in the coming weeks with more information.

Every class at St Matthew's have been working towards helping another community who are in need and reaching out to them in practical ways. Thank you, St Matthew's students, and your families. You are helping a great number of people and imitating Jesus by your actions. Well done.

## **Advent**

Next month we will be going into the season of Advent. Advent is the season of expectation of the Christ. It is a period of four weeks and marks the beginning of a new liturgical year. Each week a candle is lit on the Advent Wreath, signifying our longing for the light of Christ in our lives- for our hearts to become more compassionate. We celebrate the birth of Christ – God is with us- God who became man. This is a great opportunity to pray together as a family, go to Church and to reach out to the lonely or someone in need.

"In this life we cannot do great things. We can only do small things with great love."

Mother Teresa.

"It is not the magnitude of our actions but the amount of love that is put into them that matters."

Mother Teresa.

## Health Carers and the Assisted Dying Bill 2017

The proposed legislation to legalise assisted suicide and euthanasia will be debated in the Parliament of New South Wales on the 16 November. A similar bill has passed the Lower House in the Victorian Parliament. Such changes will place at risk the most vulnerable patients as well as undermining the relationship between patients and Healthcare Professionals which is based on trust and mutual respect. Rather than the legalisation of assisted suicide and euthanasia all Doctors, Nurses, Allied Health Professionals are asked to let your Members of Parliament know that you support increased access to better aged care and mental health services, disabilities assistance and excellent palliative care.

There is an open letter against the legalisation of assisted suicide and a petition which has been organised by concerned healthcare professionals. You are asked to add your name to their petition by going to the link: [www.healthprofessionalssayno.info](http://www.healthprofessionalssayno.info)

## Bishop Vincent Long OFM Conv statement on Manus Island

Bishop Vincent Long OFM Conv, Bishop Delegate for Migrants and Refugees has issued a statement on behalf of the Australian Catholic Bishops Conference, following the closure of the Manus Island Centre. He states: "The policy of offshore detention has failed and it is time for us to deal with the issue of asylum seekers and refugees according to this nation's proud tradition and the best nature of its citizens. We can

do a whole lot better, just as we did welcome "those who've come across the seas" after the wars in Europe and in Southeast Asia. The concern for maritime border security does not have to make us into a mean-spirited people. The policy of offshore detention has cost Australia dearly. But it has cost the detainees and their families even more. I appeal to the government and political leaders to act in accordance with our honourable tradition. It is time to find an alternative and conscionable solution, including accepting New Zealand's offer of resettlement and bringing the remaining detainees on Manus Island to Australia for further processing."
